

Verification of Admissions Form

September 23, 2003

Dear Mr. DeLattre,

A review of your application for admission into the Instructional Technology Specialist Certification program has been completed and **approved**. Verification of this decision will be forwarded to the Graduate School Admissions Office.

We would like to take this opportunity to welcome you to the ITSC program. We are pleased that you are interested in working toward attainment of the requirements specified as a Level One Specialist in Instructional Technology. At Penn State, we pride ourselves in recommending only capable candidates to the Pennsylvania Department of Education for certification and we look forward to working with you as you rise to meet this important challenge.

I personally will serve as your advisor while you are enrolled in Penn State's ITSC program. My office address is 314 Keller Building, University Park, PA 16802. You may contact me by telephone at 814-364-2722 or by email at itsc@psu.edu.

Heather Steel, our ITSC Program Assistant, is also available to support you. You may contact Heather via email, hes122@psu.edu, or via phone, 814-865-0625. I'm sure that you will find it pleasant working with Heather, as I have.

Heather will place your application, our decision, and all supporting documentation in your file. We suggest that you also maintain a copy of this decision, your application, and all supporting documentation for future reference.

Again, congratulations on your decision to learn and grow in the field of Instructional Technology and to work towards earning Penn State's recommendation to PDE for issuance of a Level One Specialist in Instructional Technology Certificate. We look forward to you becoming an active participant in the ITSC program.

Sincerely,

Janice Ascolese
