Additional Resources

Quizlet, Quizziz, Kahoot. These are resources in which students can review past work by looking at vocabulary and information studied. They can look at flash cards and quiz themselves to check understanding. Students can also look at other topics that interest them.

apushreview.com

This site is done by Adam Norris. He has a ton of youtube videos that follow along with the units in the textbook. I encourage you to look at these. Just FYI the AP test this year is going to be 45-minute open response questions. There will be no multiple choice.

For civics. www.icivics.org

For history. www.pbs.org and the www.loc.gov. library of congress
