Moshannon Valley Students, Staff, and Families,

Thank you for another wonderful week of learning in this challenging environment. As I have visited several online classes, and spoken with students and families during food distribution, I have been impressed with the efforts everyone is making. There are a few items of importance in this week's update.

Graduation

- We are working on the final plans for the May 30 Graduation. We have taken into account some of the concerns raised by families and students and are working to include those suggestions. We will have a Google Meet on Wednesday, May 13 at 5:00 pm. We will send an invitation to both student and Skyward family email addresses next week.

Scholarship & Top 10 Ceremony

- A virtual ceremony will take place on Thursday, May 21 at 5:30 PM. A link to participate in the event will be shared out later with students and families. The link may be shared with extended family and friends so they may watch the ceremony as well.

6th Grade Commencement

- We will be celebrating 6th Grade Graduation with a virtual ceremony. The presentation will be Wednesday, May 27 at 6:30 PM. The link for the ceremony will be sent to 6th grade families and can be shared with extended family and friends to watch the event.

2020-2021 Teacher Assignments

- Typically, Moshannon Valley Elementary provides students and teachers with their class information just prior to the end of school. This year will be slightly different. Class lists will be completed and shared later in the summer months.

8th Grade & 12th Grade Chromebooks

- We will be collecting all 8th Grade Chromebooks, in preparation for new machines they will receive as 9th grade students that will be theirs for the remainder of high school. The current 8th grade Chromebooks will be recycled and given to the new incoming 7th grade students. Senior Chromebooks will be collected, have filtering software removed, and be returned to seniors at Graduation. Please make sure to have your devices and the charging cords to return on your scheduled day.

Locker/Desk Cleanout and Item Return schedules for ES and HS

- Principals will be sending the student locker/desk cleanout schedules early next week. Senior pick up will take place on Friday, May 22, and all other students in Kindergarten – 11th grade will be provided a schedule for the week of May 26-29.

Please remember that **everyone entering the building, both students and a family member, must wear a mask to enter the building.** Also, remember to bring any textbooks, library books, District-issued calculators, uniforms, or other items that are at home that need to be returned.
