Student-Athlete Academic Study Table

What is Study Table?

In order to provide a positive learning environment for all student-athletes and students who have not met specific academic standards, a study table program that is available to students throughout the academic year. The purpose of study table is to provide students with a comfortable, interactive learning environment that will promote a high level of academic achievement and development. If student-athletes utilize their study time in an effective manner, they will undoubtedly make positive strides toward attaining their academic goals.

Each athletic program will be assigned a designated study table session once a week. The study table session will be monitored by a coach from the designated athletic program. Students who are academically ineligible will attend all study table sessions until they are in good academic standing.
